accepted for the brigade stall. Sorry,
no electrical goods or TVs accepted.

LOST INDIAN RING NECK (2 years old) NAME - MORTY

He was last seen 06/03/19 at
7:30am near Clarkes Road,
Anakie. We believe he is
hungry, thirsty and
exhausted. He's probably
looking for people
or a safe place.

A REWARD IS OFFERED TO ANYONE WHO FINDS HIM

Morty has just grown his flight
feathers, and is still not
great at flying.

Last seen heading down
through the Anakie gullies
from 461 Clarkes Road.

Responds to:

Morty, Morty Moo or
whistling. He prefers to land
on clothing not bare skin.

Colour: Grey

If seen, or you have any
information please contact:

**Amy 0431565144 or
Damien 0407811465**

Community Day Saturday 4 May

Who knows what goes where?
CFA volunteers put their shelter up.

Naomi displays some
of Fiona's items.

A great community event. Local
groups provide information,
meet residents and sell goods to
help raise funds - fire brigade
volunteers provide a barbecue;
primary school pupils, parents
and staff will have fresh produce

and more; local residents are
providing a variety of goods and
community house volunteers will
sell Devonshire teas, as well as
provide a free jumping slide and
face-painting. **Please come to
this local, annual event!**

The **Anakie Advocate** is proudly printed by **John Eren, MP.**

Distribution: **Anakie, Balliang, Maude, She Oaks,
Staughton Vale and Steiglitz.** Submissions for next
issue must be submitted by **18 May**. Anakie & District
Community Group has no affiliation with any political party.

Anakie Fire Brigade News

Secretary Gordon Hodges
ph: **0408 528 149**

Next training: Sunday 5 May at 9am. Prospective members welcome to come and see what we do. The brigade had a quiet month, but our neighbouring brigades in other districts had some fast running fires, where some houses were lost. **Fire restrictions for the City of Greater Geelong are still in place until midnight 1 May.** This is a timely reminder that conditions are still very dry and with any amount of wind, fire will spread quickly. Do not fall into the 'blasé' attitude and start lighting fires, **you still need permits to burn.** Some property owners will start burning stubble paddocks, so if you see a paddock on fire, "Assess don't Guess". All burn-offs must be registered at Vic Fire **1800 668 511.** The Anakie Brigade lost a member in April. **Brian Enever** joined as an active member until his health failed him. The brigade formed a guard of honour at his funeral. Our thoughts are with the family. The Anakie brigade has **elections on Thursday 2 May.** Names of new

officer and support bearers will be listed next month. If you are interested, brigade members or non-members, there may be some openings for fire tower operators in the future. Keep watching the Advocate for an advertisement to apply for the hiring/assistance for fire tower operators at Mount Anakie. If you see suspicious activity around the area, whether it be fire or any criminal activity at all, call **triple zero - (000) or crime stoppers on 1800 333 000** immediately.

SMOKE DETECTORS SAVE LIVES - CHECK YOUR SMOKE DETECTORS ARE IN WORKING ORDER

Follow the brigade on Facebook "Anakie Fire Brigade". You can also follow CFA & SES activity on the web site <https://emergency.vic.gov.au/> Fires can happen at ALL times of the year, in all environments, so be prepared, be safe have a fire plan.

Paul Moore

4th Lieutenant

Anakie Fire Brigade

May radio checks and drivers roster

All vehicles are to be functionally checked and run approximately 30 klms per week.

If you cannot fulfill the roster, please find a replacement yourself.

Sunday radio checks @ 8.30am - vehicle drivers, please be here

Health News & More...

Chilblains: an abnormal reaction of the blood vessels to sudden warming after prolonged exposure to cold; characterised by leakage of blood into the tissues. They commonly occur in the toes but fingers can also be affected.

Symptoms: redness & pain, swelling, inflammation, skin dryness, burning sensation and often intense itching.

Cause: not entirely understood but some groups have a predisposition to chilblains; they are more common in **females**, with a higher incidence in childhood and old age.

Family history, smoking, poor circulation, poor diet, low body weight and a sedentary lifestyle are contributing factors.

Treatments: wear comfortable well fitting shoes, keep warm all over (not just the feet), massage the affected area, maintain good foot hygiene and regular gentle exercise will also help.
