♪ Oh, what a night! ♪

There were great conversations, new friendships and catch-up with mates during a Pizza Dinner last month. With much thanks to Lara District Community Bank for funding this social night and for the company of representative, Jurgen. The pizzas were yummy and plentiful, thanks to pizza man, Frank.

Next training: Sunday 3 starting at **9am** after the radio sched. New prospective members are welcome to come along and see what we do. The brigade seeks new members to join its membership. If you are interested, please contact our Captain on **0401 956 683**. If you do not wish to fight fires, we have a range of other duties/activities you could be involved with.

Working smoke detectors save lives - check that yours are working

Vale Chris Watts. On Wednesday 16 October the brigade lay to rest Chris in a fitting tribute and wake with many members of Anakie and surrounding communities attending. Chris was a very active member of Anakie CFA and will be sadly missed by all. Rest in Peace, brother.

Residents should be well into preparing properties for the upcoming fire season. More information: <https://www.cfa.vic.gov.au/plan-prepare>. No permits will be issued after the first week in November each year and ALL permits will expire at the end of

Radio checks @ 8.30am – all vehicles to be functionally checked and run approx 30 klms per week. If you cannot fulfill the roster, please find a replacement.

An impressive display!

Many thanks to the local residents who kindly allowed us to display their wedding gowns. Another thank you to the people who brought mannequins for the event. The day was busy with local people calling in to view and admire the wonderful display and over \$100 was raised for Sandie Murdoch's wildlife shelter.

*A few decorative clothes hangers are still at the community house; if you are missing yours, please come in to collect them or call **5284 1359** and they will be returned to you.*

Health News & More ...

Maceration: the softening and breaking down of skin resulting from prolonged exposure to moisture. It was first described by Jean-Martin Charcot in 1877. Maceration is caused by excessive amounts of fluid remaining in contact with the skin for extended periods.

So why is this important ? Macerated skin between the toes in particular can split, become sore and infected; it can also give rise to fungal conditions like Tinea.

Both these conditions are bad news for feet and can be difficult to heal.

The Solution: always dry between your toes after showering. If you cannot reach your feet or see them clearly, stand on a dry bathmat and use a hair dryer on a medium setting to dry your feet.
